PROTECTION PLUS®

Proven Product. Proven Protection.

Protect *your* Investment

Protection Plus® is a unique extended warranty plan that allows you to purchase additional protection on the full, driveline or ACS/SJC beyond the scope of the standard Bobcat warranty. Multiple lengths of coverage times are available up to a total of 60 months based on machine type and customer qualification.

Bobcat®

Protection Plus Basics

What is Protection Plus?

What is Protection Plus?

Protection Plus® is an extended warranty. It allows you to purchase extra protection beyond the scope of the standard Bobcat® warranty. **Protection Plus** provides additional full, driveline or ACS/SJC machine coverage against defects in materials and/or workmanship.

How is Protection Plus different from the standard Bobcat warranty?

Bobcat's factory standard warranty comes with each new machine at no extra cost. Our warranty is given to you as a promise backed by more than 50 years of leadership in the compact equipment industry.

Our **standard warranty** promises to reimburse you for any defects in the materials or workmanship of a new Bobcat machine for the first twelve months of ownership, which includes an unlimited number of hours. The warranty also describes the responsibilities of Bobcat Company and the dealer in the event of equipment failure.

Protection Plus goes a step further than the standard warranty. It allows you to purchase additional protection on the full, driveline or ACS/SJC machine, with multiple lengths of coverage time available. In this way, you may benefit from longer coverage.

Which Bobcat machines are covered by Protection Plus?

You may purchase **Protection Plus** up to the day on which your standard warranty expires. This is equal to one year after taking delivery of your Bobcat machine. A premium will be charged if **Protection Plus** is not purchased within 45 days of retail.

Which Bobcat machines are covered by Protection Plus?

Coverage includes all models of these new, never-before-sold Bobcat machines:

- Skid-steer loaders
- All-wheel steer loaders
- Compact track loaders
- Compact Tractors
- Mini track loaders
- Excavators
- Toolcat™ utility work machines
- VersaHandler® telescopic tool carriers

What is a Protection Plus full machine warranty?

A full machine warranty provides coverage from the front of the machine to the tailgate latch. It is an extension of our standard warranty, and offers the same level of protection.

What isn't covered by Protection Plus?

The Protection Plus extended warranty does NOT cover the following items:

- Attachment
- Maintenance items, such as oil, filters and batteries
- Wear items, such as tires tracks
- Miscellaneous items, such as lamps and bulbs
- Hauling expenses
- Travel time
- Mileage
- Overtime or shift premiums

Protection Plus Basics

An extended warranty can benefit you in many ways:

- **Peace of mind:** For a small investment, you can protect your Bobcat® machine by purchasing a full, driveline or ACS/SJC coverage warranty. By minimizing repair costs, **Protection Plus** gives you an extended sense of security and added peace of mind.
- **No deductible:** Your **Protection Plus** policy pays for the full cost of any warrantable repair work (parts and labor), with no deductible required.
- **Risk management:** By providing a comfortable shield of protection against repairs due to failures in materials or workmanship, an extended warranty greatly decreases your exposure to financial risk.
- **Transferable to next owner:** If you sell the machine, any remaining **Protection Plus** coverage can be transferred to the new owner for a minimal fee.
- **Higher resale value:** A machine with **Protection Plus** coverage – even though the policy may have expired – will likely be perceived by a potential purchaser as having added value because of the superior care and maintenance provided by the original owner – you.

Protection Plus FAQs

Q. How much does **Protection Plus** coverage cost?
A. The cost of **Protection Plus** varies both by machine type and length of coverage desired. Your Bobcat dealer can advise you on the cost of the **Protection Plus** plan you are interested in.

Q. Who backs the **Protection Plus** program?
A. It's backed by Bobcat Company and administered by the entire network of Bobcat dealers. Service is provided only by qualified Bobcat technicians.

Q. Who do I contact and where do I go to get extended warranty service?
A. Simply contact the Bobcat dealer nearest you. A machine covered by **Protection Plus** can be serviced by any U.S. or Canadian Bobcat dealer.

Q. What will the company do if the product fails?
A. Bobcat will repair or replace any part or component that fails because of defects in materials or workmanship.

Q. Which machine components are not covered by **Protection Plus**?
A. Depending on whether you purchase a "full machine" , "driveline" or "ACS/SJC" plan, the components covered vary by machine type. Your Bobcat dealer can review the differences in coverage with you at any time.

Q. Are there any conditions or limitations on the extended warranty?
A. **Protection Plus** customers are required to perform maintenance on the covered machine at regular intervals. Also, Bobcat will not be liable for any damage to the machine caused by the use of non-Bobcat fluids or filters.

Protection Plus Coverage Options

Protection Plus® gives you added security and peace of mind.

The Bobcat® **Protection Plus** extended warranty program offers you protection beyond the terms of the standard warranty if your Bobcat equipment should experience a failure, such as engine or hydrostatic transmission breakdown.

24 Months or 2000 Hours
Full Machine, Driveline or ACS/SJC coverage

36 Months or 2000 Hours
Full Machine, Driveline or ACS/SJC coverage

36 Months or 3000 Hours
Full Machine, Driveline or ACS/SJC coverage

48 Months or 3000 Hours
Driveline coverage for Compact Tractors only

60 Months or 3000 Hours
Driveline coverage for Compact Tractor municipalities only

60 Months or 5000 Hours
Driveline coverage for municipalities only

How does Protection Plus coverage extend the standard warranty time period?

Protection Plus time periods include the original standard warranty period of 12 months. For example, a 24-month **Protection Plus** plan provides an additional 12 months of coverage beyond the standard warranty's 12-month time period, or a total of 24 months.

Items Covered

Loaders

(Skid-steer loaders, all-wheel steer loaders, compact track loaders, mini track loaders)

This list includes some, but not all, of the components covered by the Protection Plus extended warranty. For a complete listing of covered components, consult the Bobcat Service Policy and Procedure manual.

Driveline Coverage

Hydrostatic*

Hydrostatic Hoses
Hydrostatic Motor and Hydrostatic Pump

**All parts fully enclosed within the hydrostatic system – internal components*

Note: *Hydraulic pump, drive belt tensioner, all senders or sensors and linkage connected to the hydrostatic pump are NOT considered part of this Driveline warranty.*

Drive System

Axles
Bearings
Front and Rear
Drive Sprockets
Wheel End Assembly*
Idlers and Rollers**
Motor Carrier
Chains

**Internal components of the wheel end assembly on All-Wheel Steer Loaders*
***Up to 2000 hours on machines retailed on or after September 1, 2005*

Note: Drive sprockets or tracks are NOT coverd by the Driveline warranty on compact track loaders.

Note: Axle seals, wheel rims, tires, brake system and lug nuts or bolts are NOT covered by this Driveline warranty.

Engine

All Internal Components
Cam Shaft(s) Assemblies
Crankcase
Crankshaft Assembly
Cylinder Head Assembly
Governor Assembly
Oil Pump
Piston and Rod Assemblies
Rocker Arm Assemblies

Note: Water pump, fuel injection pumps, injectors, turbos, lift pump, all senders or sensors, thermostat and all external pumps, all senders or sensors, thermostat and all external components such as starter, alternator, pulleys, belts, carburetors, flywheel, etc. are NOT covered under this Driveline warranty.

Full Machine Coverage

Hydrostatic

Drive Belt Tensioner
Hydrostatic Hoses/Tube Lines
Hydrostatic Motor and Hydrostatic Pump
Steering Linkage

Drive System

Axles and Hubs
Bearings
Brake System
Chains
Front and Rear Drive Sprockets
Idlers and Rollers*
Motor Carrier

**Up to 2000 hours on machines retailed on or after September 1, 2005*
Note: Drive sprockets or tracks are NOT coverd by the Full Machine warranty on compact track loaders.

Engine

All Internal Components
Cam Shaft(s) Assemblies
Crankcase
Crankshaft Assembly
Cylinder Head Assembly
Governor Assembly
Oil Pump
Piston and Rod Assemblies
Rocker Arm Assemblies

Air Cleaner
Cooling Fan/Drives
Flywheel
Fuel Lines/Injection Lines
Gear Case
Lift Pump
Manifolds/Muffler/Exhaust Pipe
Oil Pan
Pulleys
Radiator
Rocker Arm Cover
Thermostat/Water Flange
Throttle Assembly
Turbocharger
Valve Covers
Water Pump

Note: Fuel injection pumps and injectors are NOT covered under this Full Machine warranty.

Mainframe

Bob-Tach Mounting System
Front and Rear Door Assemblies
Fuel Tank
Lift Arms
Mainframe Structure
Windshield Wiper Assembly
Rollover Protective Structure (ROPS)/Operator Cab
Seat and Seat Bar

Electrical

Actuators
Alternator
Control Panels/Display
Controllers
Hand Control Assemblies
Gauges
Senders and Sensors
Starter
Switches/Solenoids
Wire Harnesses

Hydraulics

Couplings and Fittings
Cooling Fan/Drives
Cylinders
Hydraulic Hoses//Tube Lines
Hydraulic Pump
Oil Cooler
Tank
Valves

HVAC

Coils
Compressor and Condensor
Harneses
Hoses/Fittings
Motors
Receiver Dryer
Switches

ACS/SJC Coverage

Hydrostatic *

Hydrostatic Motor and Hydrostatic Pump

**All parts fully enclosed within the hydrostatic system – internal components*

Note: *Hydraulic pump, drive belt tensioner, all senders or sensors and linkage connected to the hydrostatic pump are NOT considered part of this ACS/SJC warranty.*

Electrical

Actuators *
Controllers *
Wiring Harnesses *
Sensors *
Joystick Handles & Joy Stick Bases

** Components specfic to the ACS/SJC systems*

Hydraulics

Control Valve *

** Internal components of the control valve specfic to the ACS/SJC systems*

Items Covered

Excavators (All models)

This list includes some, but not all, of the components covered by the Protection Plus® extended warranty. For a complete listing of covered components, consult the BobcatService Policy and Procedure manual.

Driveline Coverage

Hydrostatic/Hydraulics*

Hydrostatic/Hydraulic Travel Motor
Hydrostatic/Hydraulic Pump

**All parts fully enclosed within the hydrostatic and hydraulic system – internal components*

Note: All senders or sensors and linkage connected to the hydraulic pump are NOT considered part of this Driveline warranty.

Engine

All Internal Components
- Cam Shaft(s) Assemblies
- Crankcase
- Crankshaft Assembly
- Cylinder Head Assembly
- Governor Assembly
- Oil Pump
- Piston and Rod Assemblies
- Rocker Arm Assemblies

Note: Water pump, fuel injection pumps, turbos, injectors, lift pump, all senders or sensors, thermostat and all external components such as starter, alternator, pulleys, belts, carburetors, flywheel, etc. are NOT covered under this Driveline warranty.

Warranty Statements

24 months/2000 hours
Additional 12 Months Full Machine

Under this "Protection Plus Plan," Bobcat Company agrees that its authorized dealer will repair or replace any component of the protected Bobcat machine, except as otherwise provided below, which proves to be defective in material or workmanship within 24 months following delivery of the machine to the first user or within 2000 hours of use, whichever occurs first. Any remaining Protection Plus coverage can be transferred to a new owner for an additional fee.

24 months/2000 hours
Additional 12 Months Engine/Driveline

Under this "Protection Plus Plan," Bobcat Company agrees that its authorized dealer will repair or replace any engine and Driveline component of the protected Bobcat machine, except as otherwise provided below, which proves to be defective in material or workmanship within 24 months following delivery of the machine to the first user or within 2000 hours of use, whichever occurs first. Any remaining Protection Plus coverage can be transferred to a new owner for an additional fee.

24 months/2000 hours
Additional 12 Months ACS/SJC

Under this "Protection Plus Plan," Bobcat Company agrees that its authorized dealer will repair or replace any ACS or SJC component of the protected Bobcat machine, except as otherwise provided below, which proves to be defective in material or workmanship within 24 months following delivery of the machine to the first user or within 2000 hours of use, whichever occurs first. Any remaining Protection Plus coverage can be transferred to a new owner for an additional fee.

36 months/2000 hours
Additional 24 Months Full Machine

Under this "Protection Plus Plan," Bobcat Company agrees that its authorized dealer will repair or replace any component of the protected Bobcat machine, except as otherwise provided below, which proves to be defective in material or workmanship within 36 months following delivery of the machine to the first user or within 2000 hours of use, whichever occurs first. Any remaining Protection Plus coverage can be transferred to a new owner for an additional fee.

36 months/2000 hours
Additional 24 Months Engine/Driveline

Under this "Protection Plus Plan," Bobcat Company agrees that its authorized dealer will repair or replace any engine and Driveline component of the protected Bobcat machine, except as otherwise provided below, which proves to be defective in material or workmanship within 36 months following delivery of the machine to the first user or within 2000 hours of use, whichever occurs first. Any remaining Protection Plus coverage can be transferred to a new owner for an additional fee.

36 months/2000 hours
Additional 24 Months ACS/SJC

Under this "Protection Plus Plan," Bobcat Company agrees that its authorized dealer will repair or replace any ACS or SJC component of the protected Bobcat machine, except as otherwise provided below, which proves to be defective in material or workmanship within 36 months following delivery of the machine to the first user or within 2000 hours of use, whichever occurs first. Any remaining Protection Plus coverage can be transferred to a new owner for an additional fee.

36 months/3000 hours
Additional 24 Months Full Machine

Under this "Protection Plus Plan," Bobcat Company agrees that its authorized dealer will repair or replace any component of the protected Bobcat machine, except as otherwise provided below, which proves to be defective in material or workmanship within 36 months following delivery of the machine to the first user or within 3000 hours of use (or within 2000 hours of use for idlers and rollers on compact track loaders), whichever occurs first. Any remaining Protection Plus coverage can be transferred to a new owner for an additional fee.

36 months/3000 hours
Additional 24 Months Engine/Driveline

Under this "Protection Plus Plan," Bobcat Company agrees that its authorized dealer will repair or replace any engine and Driveline component of the protected Bobcat machine, except as otherwise provided below, which proves to be defective in material or workmanship within 36 months following delivery of the machine to the first user or within 3000 hours of use (or within 2000 hours of use for idlers and rollers on compact track loaders), whichever occurs first. Any remaining Protection Plus coverage can be transferred to a new owner for an additional fee.

36 months/3000 hours
Additional 24 Months ACS/SJC

Under this "Protection Plus Plan," Bobcat Company agrees that its authorized dealer will repair or replace any ACS or SJC component of the protected Bobcat machine, except as otherwise provided below, which proves to be defective in material or workmanship within 36 months following delivery of the machine to the first user or within 3000 hours of use, whichever occurs first. Any remaining Protection Plus coverage can be transferred to a new owner for an additional fee.

48 months/3000 hours

Additional 12 Months Engine/Driveline (Compact Tractors only)

Under this "Protection Plus Plan,"Bobcat Company agrees that its authorized dealer will repair or replace any engine and Driveline component of the protected Bobcat machine, except as otherwise provided below, which proves to be defective in material or workmanship within 48 months following delivery of the machine to the first user or within 3000 hours of use, whichever occurs first. Any remaining Protection Plus coverage can be transferred to a new owner for an additional fee.

60 months/3000 hours

Additional 24 Months Full Machine (Compact Tractor municipalities only)

Under this "Protection Plus Plan," Bobcat Company agrees that its authorized dealer will repair or replace any engine and Driveline component of the protected Bobcat machine, except as otherwise provided below, which proves to be defective in material or workmanship within 60 months following delivery of the machine to the first user or within 3000 hours of use, whichever occurs first. Any remaining Protection Plus coverage can be transferred to a new municipal owner for an additional fee.

60 months/5000 hours

Additional 48 Months Engine/Driveline (Municipalities only)

Under this "Protection Plus Plan," Bobcat Company agrees that its authorized dealer will repair or replace any engine and Driveline component of the protected Bobcat machine, except as otherwise provided below, which proves to be defective in material or workmanship within 60 months following delivery of the machine to the first user or within 5000 hours of use (or within 2000 hours of use for idlers and rollers on compact track loaders), whichever occurs first. Any remaining Protection Plus coverage can be transferred to a new municipal owner for an additional fee.

During the applicable period of the "Protection Plus Plan," the authorized Bobcat dealer shall repair or replace, at Bobcat's option, without charge for parts and labor, any component of the Bobcat machine which fails because of defects in material or workmanship except as otherwise provided below.

The owner of the protected machine agrees to provide the dealer from which the Bobcat machine was purchased with prompt written notice of any defects covered by the "Protection Plus Plan" and to allow a reasonable time for replacement or repair. Bobcat may, at its option, request the return of failed parts to its factory.

The owner also agrees that travel time of mechanics or transportation of the Bobcat machine to the servicing dealer for service are not covered by the "Protection Plus Plan" and are the responsibility of the owner. The "Protection Plus Plan" does not cover tires, belts or other trade accessories or attachments not manufactured by Bobcat. The owner shall rely solely on the warranty, if any, of the respective manufacturers thereof. It does not cover the replacement of scheduled service items such as oil filters, gaskets and other high wear or normal replacement items, nor does it cover damages resulting from abuse, neglect, accidents, alterations, use of the Bobcat machine with any accessory or attachment not approved by Bobcat, air flow obstructions or failure to maintain or use the Bobcat machine according to the instructions applicable to it. In order to ensure coverage under the "Protection Plus Plan," the owner must submit proof that maintenance intervals have been followed. It is the obligation of the owner to provide such verification when submitting warranty claims. In addition, Bobcat will not be liable under the "Protection Plus Plan" for any defect or damage which is caused by the use of non-Bobcat fluids or filters. Refer to the Operation & Maintenance manual and Parts manual for the correct Bobcat fluids and filters.

THE "PROTECTION PLUS PLAN" IS IN LIEU OF ALL OTHER WARRANTIES. BOBCAT DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE REMEDIES PROVIDED UNDER THE PLAN ARE EXCLUSIVE. IN NO EVENT SHALL BOBCAT OR THE AUTHORIZED BOBCAT DEALER BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT OR CONSEQUENTIAL DAMAGES WHATSOEVER, INCLUDING, BUT NOT LIMITED TO, LOSS OR INTERRUPTION OF BUSINESS, LOST PROFITS, OR LOSS OF MACHINE USE, WHETHER BASED ON CONTRACT, WARRANTY, TORT, NEGLIGENCE, STRICT LIABILITY, STATUTE OR OTHERWISE, EVEN IF BOBCAT OR THE AUTHORIZED BOBCAT DEALER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

General Exclusions – Full, Driveline or ACS/SJC Machine Coverage

Maintenance
The "Protection Plus Plan" does not cover scheduled maintenance services such as lubrications, oil filters, batteries, tune-ups.

Hauling
The "Protection Plus Plan" does not cover transportation of the Bobcat unit from the location of operation to the servicing dealer for repairs; it is the responsibility of the owner.

Rentals
The "Protection Plus Plan" does not cover downtime expenses during repairs or Bobcat rental charges.

Damage
The "Protection Plus Plan" does not cover failures caused by carelessness, accidents, improper operation, transportation, storage, unapproved modifications or use of unauthorized attachments.

Extra Expenses
The "Protection Plus Plan" does not cover extra expenses for cleanup, loss of pay or other consequential matters.

Attachments
The "Protection Plus Plan" does not cover any attachments which were purchased with the machine.

Tires and Tracks
Tires and tracks are not covered by the "Protection Plus Plan."

Proven Product. Proven Protection.
