

Applications

Agriculture
Forestry

Landscaping

Main features

Increase your productivity by installing hundreds of meters of silt fence fabric per hour and avoid costly governmental fines and project shutdowns. It's the fastest, easiest and most economical way to install silt fence for residential, commercial, industrial or motorway projects.

The silt fence installer works with 91 cm, 107 cm or 122 cm silt fence. Minor modifications are required to adjust the roll holder for a different size.
